J. ment. Defic. Res. (1983) **27**, 299–300

SUBJECT INDEX TO VOLUME 27

Adaptive behaviour in Down's syndrome 205
Ageing mental defectives 133
Amino acid abnormalities 105

Behavioural difficulties in Sanfilippo syndrome 185
Book reviews 77, 157, 291

Cognitive difficulties in Sanfilippo syndrome 185
Communication
  diagnosis of Down's syndrome 247
  diagnosis of Spina bifida 247
Correlates on intelligence in Down's syndrome 205
Correspondence 237
Current topics 79

Dementia in ageing mental defectives 133
Dermatoglyphic sole patterns 5
Developmental and degenerative patterns in Sanfilippo syndrome 185
Down's syndrome
  adaptive behaviour 205
  communication of diagnosis 247
  hippocampus 227
  intelligence 205
  primitive reflexes 39
  rhythm and time 23
  sensorimotor development 11
  tooth morphology 159

Editorial 1
Empirical research, the need for 45
Epidemiological study of Sanfilippo syndrome 185

Feuerstein model, a critical appraisal 79
Fine motor performance 125
Fragile X syndrome (Xq28), diagnosis of 211

Hippocampus in Down's syndrome 227

Martin-Bell syndrome
  cytogenetic 51
  diagnosis of 211
  logopaedic 51
  psychological 51
Mentally handicapped
  mortality 143
  register of 255
  young people's perceptions of 171, 279
Mental retardation and organicity 69
Microcomputer, register of mentally handicapped 255
Mortality
  ageing defectives 133
  mentally handicapped 143
Motor difficulties in Sanfilippo syndrome 185
Mucopolysaccharide metabolism, abnormalities 105

National survey, perceptions of mental handicap 171

Organic mental syndrome battery 69

Perception
  rhythm and time in Down's syndrome children 23
  of mental handicap 171, 279
Phenylketonuria
  discontinuation of phenylalanine-restricted diet 61
  with normal intelligence 239
Physical restraint, in the suppression of pica 93
Pica, suppression of 93
Prader-Willi syndrome, food preference 45
Pre-school handicapped children, social interactions 115
Primitive reflexes in Down's syndrome 39

Reaction time, fine motor performance 125
Register of mentally handicapped 255
Remediation of cognitive deficits 79
Retardation in growth, tooth morphology 159

Sanfilippo syndrome 185
Social interaction, preschool children 115

Spina bifida, communication of diagnosis 247
Structural characteristics of sensorimotor development 11
Syndrome
Down's 11, 23, 39, 159, 205, 227, 247
Fragile X 211
Martin-Bell 51
Prader-Willi 45
Sanfilippo 185
Tooth morphology in Down's syndrome 159
Twenty-one trisomics 5

Urinary screening for abnormalities 105

Warning interval duration, fine motor performance 125
Wessex, mentally handicapped 105

Young people's perceptions of mental handicap 171, 279

Contents

Part 1

1 Editorial

5 Dermatoglyphic sole patterns in 21 trisomics: DANUTA LOESCH

11 Structural characteristics of sensorimotor development among Down's syndrome infants: C. J. DUNST and REGINA M. RHEINGROVER

23 Rhythm and time in the perception of Down's syndrome children: B. STRATFORD and EVONNE YUET-YU CHING

39 Primitive reflexes in Down's syndrome: T. SAND, S. I. MELLGREN and A. HESTNES

45 A clinical note on food preference of individuals with Prader-Willi syndrome: the need for empirical research: M. L. CALDWELL and R. L. TAYLOR

51 The Martin-Bell syndrome: a psychological, logopaedic and cytogenetic study of two affected brothers: W. O. RENIER, D. F. C. M. SMEETS, J. M. J. C. SCHERES, T. W. J. HUSTINX, C. F. C. HULSMANS, C. P. M. O. OPHEY, A. J. A. M. BOMERS and F. J. M. GABREËLS

61 Neurophysiological, psychological, and nutritional investigations during discontinuation of the phenylalanine-restricted diet in children with classic phenylketonuria: S. M. PUESCHEL, L. FOGELSON-DOYLE, B. KAMMERER and Y. MATSUMIYA

69 Organicity and mental retardation: organic mental syndrome battery: P. HERMAN, S. BALA, A. ATKIN and BERNICE ROGOWITZ

77 Book reviews

Part 2

79 Current topics: Remediation of cognitive deficits: a critical appraisal of the Feuerstein model: T. B. BRADLEY

93 Suppression of pica using brief-duration physical restraint: A. S. W. WINTON and N. N. SINGH

105 Urinary screening for abnormalities of amino acid or mucopolysaccharide metabolism in patients in a hospital for the mentally handicapped in Wessex: V. WALKER, P. J. SMYTHE, N. J. COOK, N. A. BALL, R. M. VEALL and P. WHITEMAN

115 Social interactions among preschool handicapped and non-handicapped children: JUDY SEBBA

125 Fine motor performance in subjects of subnormal, normal and superior intelligence. II. Reaction time and warning interval duration: D. N. MacKAY and I. BANKHEAD

133 Mortality and dementia among ageing defectives: D. TAIT

143 Mortality in the mentally handicapped: a 50 year survey at the Stoke Park group of hospitals (1930-1980): G. CARTER and J. JANCAR

157 Book reviews

CONTENTS

Part 3

159 Tooth morphology in Down's syndrome: evidence for retardation in growth: G. C. TOWNSEND and R. H. BROWN

171 A national survey of young people's perceptions of mental handicap: R. MCCONKEY, B. MCCORMACK and MARY NAUGHTON

185 Developmental and degenerative patterns associated with cognitive, behavioural and motor difficulties in the Sanfilippo syndrome: an epidemiological study: F. D. NIDIFFER and T. E. KELLY

205 Correlates of intelligence and adaptive behaviour in Down's syndrome: J. W. LIBB, G. J. MYERS, EVE GRAHAM and BETTY BELL

211 Diagnosis of the fragile X syndrome (Martin-Bell syndrome). Clinical findings in 27 males with the fragile site at Xq28: KAREN BRØNDUM NIELSEN

227 The hippocampus in Down's syndrome: P. E. SYLVESTER

237 Correspondence

Part 4

239 Phenylketonuria with normal intelligence: D. A. PRIMROSE

247 Communication of the diagnosis of Down's syndrome and Spina bifida in Scotland 1971-1981: J. C. MURDOCH

255 A register of mentally handicapped individuals using a microcomputer: R. FARMER and JENIFER ROHDE

279 Changing young people's perceptions of mentally handicapped adults: R. MCCONKEY, B. MCCORMACK and MARY NAUGHTON

291 Book reviews

297 Author index to Volume 27

299 Subject index to Volume 27
